Driven Full Stack developer with a background in digital media, communication, and leadership development with a love for continued learning. Applied strong problem solving and collaborative skills in various web development projects. Seeking fast-paced, problem-solving roles that incorporate front-end or back-end.

## TECHNICAL SKILLS

**Languages and Tools:** JavaScript ES6+, CSS3, HTML5, SQL, jQuery, GitHub, MongoDB, Express, React, Node, Bootstrap, SDLC, Agile Methodology

## PROJECTS

**PawPals** github.com/thebobfather2/pawpals
**Deployed Project** paw-pals.herokuapp.com/
- PawPals is an interactive website designed to allow users to search for their next adoptable pet. The project uses handlebars to produce each page, MySQL to store the animal cards, and features a login functionality for users to apply for adoption.
- Sarah managed delegation of roles, creation of mockups, qualifications of MVP, development of HTML/CSS and Handlebars, organization of MVC, assistance of SQL database setup, and testing.
- Tools and languages used include HTML, CSS, JavaScript, Bootstrap, Agile Methodology, DOM, Node, Express, Heroku, MySQL,

**Carrot Calendar** github.com/thebobfather2/carrotcalendar
- Gaining over $100k in revenue per year, Bobby's Rabbits needed a simple, efficient way to coordinate community events to boost interaction and sales. Carrot Calendar is a user-friendly calendar for customers of Bobby's Rabbits to create online events, RSVP, and pitch money in the pot for games.
- Sarah oversaw the deployment of the time zone API which enabled thousands of users from Japan, South Africa, and even Europe to be able to accurately engage with the calendar.
- Tools and languages used include HTML, CSS, JavaScript, Bootstrap, APIs, Agile Methodology, DOM, and Node.js.

## EXPERIENCE

**Communication and Media Coordinator** 2021-2022
**Second Level Inc** Atlanta, GA
- Directed entire technology team for the annual Conference
- Produced videos for global promotion of over 50+ countries
- Assisted a weekly ESOL class for international adults and fostered one on one relationships
- Coordinated all media-related projects for entire organization to create brand unity and trust
- Cultivated a safe, welcoming community for 100+ international families with little to no English skills

**Digital Media Coordinator** 2020-2021
**Comfort Farms/StagVets** Milledgeville, GA
- Utilized **HTML** and **CSS** on Square, Wix and Donorbox for company's fundraisers and sales
- Enhanced user experience through increased efficiency by driving traffic to appropriate landing pages
- Developed and created event pages on websites for cohesiveness, brand awareness and community engagement
- Pioneered integral additions to websites to pursue retired veterans in need
- Redesigned online shopping system for weekly use
- Headed the development of support raising programs upwards of $50,000

**Leadership Development Coach**                                                                2015-2020
**Chick-Fil-A (Windward Parkway)**                                                          **Atlanta, GA**
- Established and oversaw generational leadership development training program for night-time leaders of an $8-10 million store
- Supervised, mentored and trained 60+ employees with servant leadership
- Headed daily night-time finances and computer documentation
